

Stella Benson	<p style="text-align: center;">This Is the End By Stella Benson (1892-1933)</p> <p>Some books have plots that drive relentlessly toward a conclusion. Others, like "This Is The End", just meander. It is the story of a family halfheartedly searching for a missing relation who does not want to be found, while just off-stage, World War I is raging on the continent. It is a story about ordinary people trying to live ordinary lives in extraordinary times. The things they do are less important than the ways in which they do them: often comic, occasionally tragic, but always touching and true to life. It reminds us that Poetry and Romance can be found anywhere, hidden beneath the surface of the most commonplace things. (Summary by Peter Eastman)</p> <p>Read by Peter Eastman; total running time: 05:21:40. Dedicated Proof-Listener: Kat Romanov.
